In addition, we have four HLTAs and twenty two teaching assistants, all of whom are a key part of our teaching and learning team. We also have thirteen staff who work at the Woodland Day Nursery.

We have a fabulous office team who are integral to the running of the school. Both our catering and cleaning contracts are provided by outside companies.

We are strongly committed to staff development and learning.

Our Curriculum

At Alverton, we want to give every child the very best learning experience that we can. We provide a rich and exciting curriculum that promotes independence and opportunities for everyone, regardless of individual need, to succeed. We aim to give them the academic knowledge, skills and cultural capital they need to allow them to progress confidently onto their future learning and into the world. We feel that reading is fundamental to a child's success and ensure that this is embedded throughout the curriculum.

All staff have a shared ethos and high expectations for all our pupils and celebrate their successes in all aspects of school life, encouraging pupils to reach their full potential and adapting the curriculum to meet the needs of every pupil. We deliver a coherently planned and sequenced, broad and varied curriculum which is hugely engaging and designed to ensure that all of our children succeed and love to learn.

We take a cohesive and coherent approach towards the planning, sequencing and delivery of lessons in order to ensure the children accumulate the knowledge and skills needed for future learning. Each key stage follows a rolling programme of umbrella headings which ensures full and rigorous curriculum coverage in all year groups, enabling pupils to revisit and remember the content and skills they have been taught and to link these into new learning.

We firmly believe that our pupils need to be prepared for life in a technological world. We use iPads across the curriculum to enhance learning, develop IT skills and ensure that all pupils are enabled to access learning and record their work in a variety of ways.

We have fantastic grounds at Alverton and take every opportunity to enhance the children's experiences at school through using this for woodland activities and outdoor education.

From Reception through to Year 6, we take opportunities to extend the curriculum through visitors, including artists and musicians. We also use our amazing grounds as much as possible and get out and about in the locality and the wider environment. In addition, we plan educational visits to enhance the children's learning to places such as Feadon Farm, the museum in Truro, the Minack theatre or St Michael's Mount.

There are many opportunities for excellence beyond the classroom such as through our highly successful sports teams or our annual musical production. Excellent links with both local secondary schools provide many enrichment activities for Key Stage 2 including in dance, art and sport.

Years 3 to 6 have the opportunity to spend time at a residential centre during the Summer Term. This helps to develop self-reliance, co-operation and initiative as well as giving the children the chance to experience different activities and environments. These trips are also, of course, great fun! Our residential visits range from camping and outward-bound activities at Porthpean to an unforgettable trip to London including Legoland and a West End show!

Early Years Foundation Stage

Children in our youngest classes are immersed in the prime areas of learning in a safe and stimulating environment. We consider the individual needs, interests, and stage of development of

each child in our care, and use this information to plan a challenging and enjoyable experience for each child in all of the areas of learning and development.

We aim to create experiences which encourage children to think creatively and explore the world as they see it. We recognise the importance of play-based learning as well as the benefits that being outside can bring.

Safeguarding

TPAT is committed to safeguarding and promoting the welfare of children and young people and expects all staff, workers and volunteers to share this commitment.

Shortlisted candidates will be required to complete a Safeguarding Self-Declaration Form as part of their application. Successful candidates will be required to complete a Disclosure and Barring Service (DBS) application and Health Assessment form as part of their pre-employment administration.
